

# Sterling & Wilson completes electrification for 'Tunnel of Hope'

**JAMMU:** With the inauguration of India's longest tunnel, spanning 9 km, the Chenani-Nashri or Patnitop Tunnel-Sterling and Wilson has reaffirmed its position as a reliable and capable partner in the Electrical EPC space-offering advanced

scale, technology and expertise in electrification and substation for infrastructure projects. The tunnel is developed by IL&FS Transportation Networks Ltd. (ITNL). Sterling and Wilson, an EPC company with global presence, is part of the distin-

guished Shapoorji Pallonji Group and has been involved in the design, built, turn-key solutions for electrical 11 kV substation, distribution and ancillary works for the four-lane tunnel, which connects Chenani to Nashri across section of NH-1A.
